Secretary's Report

Bill Bennert distributed minutes of the July 20, 2007 meeting for the members review. Motion was made by Gary Brundrett, seconded by Adele Bozza, to accept the minutes as presented. Motion passed. In the absence of Corinne Wait at tonight's meeting, the minutes were recorded by Elaine Roundy.

BUSINESS

SCCNH Auto-X Series

Bill reported that the next Auto-X will be held on Sunday, August 19, 2007 at the NH International Speedway. Set-up will take place on Saturday, August 18 at 4:00 PM. Any members interested in helping to set-up the course, please feel free to join us.

Update on Cones/Pylons Purchase

Bill asked if there was an update from Howard Roundy on the purchase of 100 cones and pylons for the Auto-X Series. In Howard's absence, Elaine Roundy reported that Howard would have to follow-up with an update at the next meeting.

At this time Gary Brundrett reported on the new "flyer" that was put together by Howard and reviewed by Gary, who also gave a brief overview of the Concord Airport with input from Bill Bennert. A brief discussion took place on potential sites for upcoming Auto-X events with the following being mentioned as possibilities:

- Hooksett parking lot (where the Monarchs train)
- Swanzey site
- Grenier Field
- Pease Trade Port parking lot in Portsmouth
- Berlin Airport
- Berlin-Gorham area strip malls
- NH Distributors in Concord
- NH Voc-Tech Colleges

The question was raised about how the upcoming Auto-X would be run...by odd or even numbers. Bill responded that there will be 3 groups, which worked out well at the last event.

2007 SCCNH Fall Mt. Ascutney Hill Climb

It was reported that everything is in place and that plaques and trophies have been ordered. Mt. Ascutney is all set and Don Taylor took care of the site. Meals will not be included, as previously discussed, but are available at \$5.00/day. As a reminder at this time for those registering late, the fee will go up after September 4th. Dave Burden reported that they are still waiting for the mailing labels and that the flyers are ready to go out. Bill said he will be attending the event on Saturday and Sunday.

2008 Winter-X Series

Bill asked the members that were present if there was still interest in holding a Winter-X at Pooh Corner Farm in West Bethel, Maine. Everyone thought it was a good idea but no volunteers came forward at this time to run the event. Bill mentioned that both sides of the road at the Pooh Corner Farm could be used by blocking off the road, as long as we notified the town in advance. The issue has been tabled until the next Club meeting.

SCCNH Road Rally

There are no updates at this time. It was felt that Don Taylor could look into it as a possibility next year. The question was raised as to whether or not this was something that could be done with SCCA. It was reported that SCCA has "other" rules and that other members and officers would have to be consulted before anything could take place with SCCA.

There was a brief discussion as to who will be doing what at the upcoming Auto-X on Sunday. Donna Stevens volunteered to do registration in Corinne Wait's absence.

The next meeting of the SCCNH will take place on Friday, September 21, 2007 at 7:30 PM at the Windmill Restaurant in Concord, NH.

With no further business the meeting adjourned at 8:15 P.M.

Respectfully submitted,

Elaine Roundy
