New Business:

Sept 11 events – We will observe a moment of silence during the autocross and drift events this weekend.

VT flooding relief – We plan to have a box for non-perishable food donations at the Ascutney hillclimb.

2012 Nominating Committee – Drew Young and John Stevens are compiling a list of members interested in running for officers next year. Contact one of them if you are interested. Dave G mentioned that due to personal commitments he will not be running for VP next year.

Christmas Party – George has the party plans under control. Harts Turkey farm will be catering the event again. Dave E suggested the theme for the Yankee Swap gifts be Harbor Freight items with the usual \$20 limit. Everyone seemed to think this was a good idea.
