

History Moment – July 24, 2023 by Charlie Parsons

History Moment - At the last club meeting George Young gave me a copy of a 1972 'Steering Wheel' which you will recall was the club's newsletter. This week I would like to pull a couple of excerpts from the letter. First up was a plug for the club award banquet, a menu was listed and it was noted that the price was still only \$5.25. The treasurer happily reported that there was a "healthy" \$502.31 in the treasury. Events of the year were listed as Ice Races, a Bryar event, and a Kings Ridge Hillclimb. This was a couple of years before SCCNH would acquire the Ascutney Hillclimb. I will finish off with a report that the average price of gas at the pump was 35.29 CENTS. That was up from 30.76 cents in 1961. Oops! one more thing. there was a call for members to attend the club meetings. That one is still good today. Our club has nearly 300 (or maybe more than 300) members and yet only about a dozen and a half come to the meetings to decide the direction of the club. Please join us!
