

Younger Youngs

Anyone who has done hillclimbs or who was intimately involved with SCCNH any time from the early 1970s through to present (2023) knows who the Young brothers, George and Drew are. Here are a couple of pictures though that may have you scratching your heads. These are a couple of pictures of the brothers from probably the late seventies.

Here a young George Young (center) is either giving or receiving an award with Dick Leclerc (on the left.) Jerry Venne (right) and a young lady look on.

Here Drew Young (right) receives a second place "Worker of the Year" award from President Dick Bridgette.
