Programs

Hillclimb Report: Laura reports for Calvin that Burke went well this past weekend. Ascutney is coming up September 6th and 7th. Most key players are confirmed. We need entries. We will send an email and make a Facebook post.

CTTC Report: Howard reports that Greg Wilcox has agreed to chair. He and Drew met with the Auto road and had a great meeting. Entry fee will be determined based on sponsorship towards the end of September.

Gravel Trials Report: Alex reports for Scott that we have 13 entries for the August 24th event. We have two drivers that are going to register and are looking for brand new co-drivers to teach. There is an event at Team O'Neil the day before and we are hoping to display cars or run tech for the Gravel Trial at the event. Motion for \$400 for two new easy-ups (Drew/Ian). Motion passes.

Rally Report: Drew reports that we have a rally this Sunday. There are currently 9 entries. It is a shorter rally to end at Funspot in Laconia and then a ride on the Mount Washington. Turkey Trot will be November 9th.

Old Business and Action Items

Gravel Cross: Alex and Scott went to the Best's property and the land looks great. SCCA has offered use of their equipment for the test event. They will also bring in a lot of participants. We can run

events all year round in this space. We would like to do one event before the winter. Entry fees will be \$60-80. Insurance will be entered as an autocross.

Holiday Party: Party is December 6th. Rebekah is going to work on booking Ray's and Harts. Jams have been requested. We need something commemorative for the 70th anniversary (party favors, duffle bags, key chains, license plate outlines, etc...)

70th Anniversary/November Meeting: The museum is excited about having us on November 5th. We need the meeting in MSR for a headcount. We will have a commemorative 70th t-shirt designed by Monica and will be included in the entry form at \$25.

New Business

Board Election/Bylaws: Bylaw update proposals and board nominations are needed for the October meeting.

Life Member: Eleanor Sturtevant was potentially a life member/founding member but there is no record as they were not part of the club when the life member program began. Ian would like to use Charlie's email to the board about her as a Life Member nomination. Ian requested a Life Member committee of George, Drew and Dave to vote on Life Member status. Decision will be made by the October meeting.

SCCV: Ben (VP) is here tonight. We discussed club membership involvement
