Programs

Autocross Report: Alex reports that we have the updated rates from Canaan for 2026 and they increased \$300/day.

Hillclimb Report: Calvin reports that the paperwork has been signed with Vermont for both Ascutney weekends. They have received the check for both events and the COI for the first event. The NEHA Banquet went well and attendees seemed to like the gallery. Rule changes are up on the website. First place t-shirts are still in progress and are targeted for the first event of the season.

CTTC Report: Howard reports that drivers have been charged and we should see that money from MSR within the next month as they do rolling deposits. The chiefs meeting is scheduled for July. We have 135 volunteers registered so far. May 30th (June 20th rain date) will be a discounted day to drive up Mount Washington for the club. More info to follow. Club Motorsports is going to host two shakedown days over the summer with a pre-tech option for CTTC. More info will be sent to drivers/co-drivers.

Gravel Trials Report: Scott reports that upcoming events are May 24th and June 21st. A laptop will be ordered mid-next week. If drivers have questions about car requirements for events, they should contact Scott and Manu.

Rally Report: Drew reports that we had our first event this past Sunday chaired by Scott. There were 14 entries with 9 cars attending and finishing due to several late withdrawals. Late withdrawals will be charged a partial fee. The next event is May 31st and there will be two additional events after that.

Old Business and Action Items

Program Budgets: Each program should have a budget ready for review at the April meeting.

New Business

Car Shows: Alex Q would like to have a presence at a car show in the Spring to get the word out about TSDs and CTTC for volunteers. If anyone knows of any local shows, forward that info on to Alex Q. Alex M has friends with a show in may and he will follow up on that. We have some plastic signage with the Club logo that we can use for advertising.

New England Racing Museum: The museum would like to set up a display based CTTC for the next few years.

Action Items

- Program Budgets - Program Directors

The meeting was adjourned at 7:33pm. (Charlie/Dave)
