## Programs

**Autocross Report:** Alex reports that we had the first event of the season this past Saturday with 65 entries. Sunday was cancelled as it only had 27 entries 7 days out. It has been rescheduled for June 21st. There will be an autocross school the day before (June 20th). Signups for instructors, students and the autocross are in MSR

**Hillclimb Report:** Laura reports for Calvin that Ascutney is in a week and a half. The event has 45 registrations and we have about 20 volunteers. The plan is to run long hill if there are enough workers and radios. Philo was last weekend and was a success with 44 drivers registered. There was a significant increase in media wanting to view the event. Conversations will be had with NEHA about media sign ups and guidelines.

**CTTC Report:** Howard reports that things are moving along. Trophies are changing from the last event due to significantly increased costs. Alison can help get a quote for granite trophies if someone gets her dimensions and counts. Emails went out to drivers today with what they need to know about the event.

**Gravel Trials Report:** Scott reports that the next event is May 24th and there are 16 entries. June 21st will be the following event and the last before Climb to the Clouds. Scott was reached out to by a competitor with land in Vermont for a potential second site. He will see if it meets the program's needs.

**Rally Report:** Drew reports that the next event is "The Search" on May 31st. There are only 5 entries so far so an email blast will be sent out for more entries.

## New Business

**Life Member Gold Cards:** According to the bylaws, Life Members receive gold cars upon membership. Alex Q has blank cards but needs to know what to engrave on them. Howard has his and can send him a picture.

**June Car Show:** Alex booked a booth at the Wicked Big Car Show at NHMS June 27-28th. An MSR event will be setup for 2 hour volunteering blocks. Alex is going to ask about doubling our space to bring a car.

**New England Racing Museum:** The Climb to the Clouds exhibit is live. Go check it out!

The meeting was adjourned at 7:40pm. (Drew/Michael)

Respectfully Submitted
